Hi Sonja,

I do not anticipate this case going, and it will probably be converted to a pretrial for disposition on Monday. So, I will let you know as soon as that happens for sure. I can't officially call you off until the motion to convert is filed and allowed, but I do not anticipate it being a trial.

Thanks for checking in!

Kristin

Hi Kristin-

Just checking in about the [REDACTED] case scheduled for trial on Sept. 26<sup>th</sup> (next Monday) to see if anything has changed and if you think the case will actually go to trial. The Pittsfield case I had scheduled for that day has been continued, but there is the possibility that I may have a Springfield Superior case starting that day. If the Superior case does indeed start as scheduled, they wouldn't need me until in the afternoon or the next morning, but the ADA wanted to know my scheduled for that day just in case. Thanks.

Sonja,

I have cc'ed Kristin because the 26<sup>th</sup> is her trial day. You are correct, [REDACTED]. She will let you know if something changes.

Hi Bob-

I just wanted to let you know that I received your summons for the [REDACTED] case scheduled for September 26, 2011, and that I also have a case scheduled in Pittsfield that day. As the date is more than a month away, I know that things may change, and I will let you know if anything does. Also, I do not see the drug lab number(s) listed on the summons or cover sheet - do you know what they are? My guess would be [REDACTED], though I would appreciate getting it verified. Thank you.
